

Documenting the
IMPACT
of engagement
ON SCHOLARLY WORK
to fulfill the engagement
mission.

Scholarly Work in the Context of Engagement

- Can we articulate for ourselves – for our colleagues?
- Scholarly Work --- Legitimate Faculty Work (Ellison)
- CoCreation of Knowledge
- Traditional Definitions (excellence, creation, rooted in literature, impact, embedded in mission, reflections, shared)

Engagement Continuum

- Short term ----- Long term
- Doing good ----- Scholarly work
- Service ----- Scholarly engagement
- Critique ----- Vision
- “For” or “in” ----- “with”
- Project ----- Program
- Internal ----- External Credibility

Measuring Impact

- Benefit of Traditional Measures
- Measuring Impact
- Case Study Type Evaluation

Individual vs. Institutional Measures

● Individual

- Reflective planning
- Why are things different because we were here?
- Engagement as transformational

● Institutional - Unit

- Framework for measurement
- Long-term Impact (Impact over time)
- Engagement as transformational

“Think Outside the Box”
